Techman Robot TM5-700 - Demo Robot

Why Customers Choose This Robot

- Collaborative 6-axis robot with integrated vision system and advanced software licenses
- Fast commissioning without extensive programming
- Ideal for education, testing, and demonstrations
- Plug & play gripper installed and ready for use
- Compact solution with high flexibility

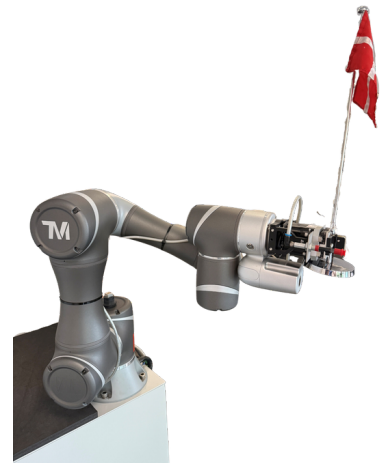

As Good as New

- In excellent condition
- Complete demonstration solution
- Integrated vision system
- TOYO plug & play gripper installed
- Prepared and tested before delivery

An Environmentally Responsible Choice

- Reduce investment costs without compromising quality
- Reuse of industrial robots reduces resource waste
- Lower CO₂ footprint compared to purchasing new equipment
- Long lifespan and high operational reliability

Typical Applications

- Pick & place
- Vision-guided applications
- Quality inspection
- OCR and identification
- Education and automation training
- Prototyping and development projects

Price: €10,000

excluding VAT

Technical Data

General

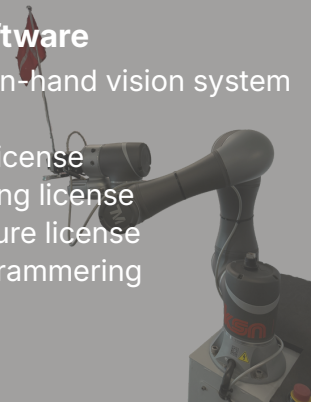

Reach	700 mm
Payload	6 kg
Year of manufacture	2019
Power supply	100–240 VAC, 50–60 Hz
Controller	Control box version II/EU

Other equipment

TOYO CHG2-S30-002 plug & play gripper

Vision and software

Integrated eye-in-hand vision system
OCR software
External vision license
Conveyor tracking license
Identify & measure license
Flow chart programming
USB dongle
